

DuBois Center WORK DAYS

TYPICAL WORK DAY SCHEDULE

(This can be adapted to meet the needs of your group. For example: Some groups that are close to camp arrive earlier; some groups that are traveling farther arrive later.)

8:30 - 8:45 a.m.	Arrival & Assignments
9:00 - 12:00	Work Projects
12:00 - 12:45 p.m. or 1:00	Lunch
1:00 - 4:00	Work Projects
4:00 - 4:15	Pack-Up and Head for Home

Please Bring or Wear:

- **OLDER, LESS EXPENSIVE CLOTHING** that can get really dirty & possibly stained with paint.
- **LAYERS OF CLOTHING**, so you can add or take off items depending on your body temperature. (Groups may be indoors or outdoors.)
- **WET WEATHER GEAR...** just in case it's drizzling.
- **STURDY SHOES or BOOTS**
- **WORK GLOVES** (Heavier leather ones provide better protection, but the cloth type are better than nothing.)
- **WATER BOTTLE**
- **FIRST AID SUPPLIES** (We have a first aid kit on site, but we encourage groups to carry some basics with them for minor problems.)
- **"PERMISSION & AUTHORIZATIONS,"** especially for any minors, under age 18, who will be part of your group. (Don't be alarmed. This is purely a precaution, and is recommended as a standard operating procedure anytime children or youth are involved in church activities without a parent. In case of an incident, our staff will assist. However, your group leader will be responsible for deciding on the course of action, based on your church's policies and guidelines. Even though this form is a MUST HAVE for minors, it is also recommended for older participants... just in case emergency assistance is needed.
- **"WAIVER FORM"** – This is a requirement for all volunteers.
- If you have a technical skill that might be helpful at camp (plumbing, electrical, etc.), please bring **TOOLS and EQUIPMENT** for your particular skill.
