

Love Camp?
Lead It!

Counselors in Training Program June 19-24, 2016

DuBois Center Leadership Training for Selected Teens (completed grades 10-12)

Enjoy a great week of camp while gaining skills that will help you grow as a positive Christian leader. You'll learn how to create a fun, safe environment, manage camper behavior and teach basic camp skills. Working with younger campers and your CIT teammates, you'll gain great practical experience, peek "behind the scenes" at DuBois and develop a sense of community.

CIT will function much like a "lab school" with discussion, training, practice and evaluation sessions.

small print: The minimum age for Camp Counselors is 17 (with successful completion of CIT). Participation in CIT does not guarantee that an individual will be recommended to counsel.
