LEAD teammates gain skills that will help them grow as positive Christian leaders, while making new friends and building their own community. Apply for the LEAD program and you may be chosen to enjoy a great – yet very different – week of camp.

**Learn to create a fun and safe environment, respond to camper behavior and teach basic camp activities.**

LEADers gain valuable practical experience working with younger campers and get a behind the scenes peek at the joys and challenges of being a camp counselor.

LEAD functions much like a “lab school” with discussion, training, practice and evaluation sessions.

**Fine Print:** The minimum age for Camp Counselors is 17 (with successful completion of LEAD). Participation in LEAD does not guarantee that an individual will be recommended to counsel.

A LEAD Application Packet is required to apply for this program in addition to the general camp registration.
