

A Ministry of the Congregations of the United Church of Christ in Southern Illinois

OUTDOOR MINISTRY INTERNSHIP

OUR FAITH AND...

Program Leadership
Collaborative Efforts
Environmental Stewardship
Our Unique Gifts and Talents...

Grounded in our faith, learning from one another and working together, we provide life-changing experiences for children, youth, families, congregations and community groups.

More than a job, this outdoor ministry internship provides an opportunity for young adults to build their knowledge and experience base in a variety of different areas. The focus is on the skills necessary to be successful in the fields of camping & retreat ministry, youth & children's ministry, recreation and other service-related vocations. Key areas of learning include creating safe spaces, program leadership and implementation, partnership development, hospitality/retreat management, administration, facility maintenance, food service operations, event planning and American Camp Association standards.

A team approach, with a commitment to coaching and training, helps us live into the vision of DuBois Center as a significant ministry of the congregations of the Illinois South Conference of the United Church of Christ.

Times focusing on faith and spirituality are regular parts of this experience.
