Do It for the Vine

John 15:5-11 *Connecting through Christ*

In the story of the vine and the branches, we learn that we have two responsibilities: staying connected to the vine and bearing fruit. This summer we'll discover ways to do both. With daily scriptures to guide us, we'll explore the vineyard and ways to experience God's love as we grow as branches. We'll practice seeing with our hearts, listening for God and reconnecting with Jesus, ourselves and friends at camp. It will be a grand adventure, grounded by deep roots and braced by our strong vine — Jesus Christ.

Faith-Based Program

Our **energetic and caring team** of young adults provides positive leadership and guidance for our campers while Pastors and Christian Educators enrich the faith-based focus throughout the summer.

Caring Camp Counselors

Both our paid summer staff and volunteers are **dedicated to providing a safe and accepting atmosphere** for campers to explore and grow.

Experienced Chaplains

All our leaders are screened and trained in keeping with our Safe Conduct procedures. In addition, our paid summer staff are **First Aid and CPR Certified** and have completed extensive training covering topics such as safety, program facilitation, behavior management and small group building. Our full-time Director of Outdoor Ministries provides supervision and support for the program, staff and campers.

The DuBois Experience

In this tech-centered world, it is increasingly important for kids to unplug, step outside, get their hands dirty and connect face to face. At DuBois Center, relationship-building and faith-focused activities are woven throughout each day, whether exploring the creek or gazing at the stars.

Cabin groups of 5-8 campers combine to form DuBois family groups. These family groups experience much of camp life together. On the first night, campers and leaders discuss and choose many of their adventures for the week.

We offer a progression of activities based on the age group, program focus and skill level of our campers. There are new challenges and experiences for the youngest of campers and for more adventurous older teens.

Lodging at Camp

We have three distinct lodging areas:

Main Camp: Four cottages near the dining hall. Cottages have a common room between two sleeping rooms, each with bunk beds for eight and a bathroom with a shower.

Rustic Village: Eight cabins split between two sites with a centrally located shower house. Each cabin has bunk beds for eight, screened windows, lights and a ceiling fan.

Hickory Lodge: Located near the dining hall with hotel-style sleeping rooms, shared bathrooms off the hallways and a meeting/activity room. AC available.

Meals & Snacks

Our tasty meals are kid-friendly and hearty with lots of fruits and veggies. We serve three square meals and two light snacks each day.

In addition to our regular meal offerings, a cereal buffet is available at breakfast; bread, peanut butter and jelly are available at both lunch and dinner.

We strive to accommodate dietary needs whenever possible.

Contact our office with any questions.

Our Horse Program

No doubt about it, our horses are the most popular kids in camp, and all campers have the option to ride.

Campers receive instruction in basic barn etiquette and how to safely lead, mount, dismount and ride a horse. Our riding instruction is based on safety and recreation. It is not intended as instruction for horse shows or competitions.

Campers attending week-long sessions have the option of riding twice during their stay; part-week campers have the option of riding once (weather permitting*). The first ride includes time in the arena to get comfortable with the horses and practice basic skills. A short trail ride may also be included. The second ride is usually a longer trail ride.

Campers attending our Horse Camps spend significantly more time with the horses. For more details about these exciting equestrian adventures, flip to page 11.

** For the safety of our campers and horses, rides are cancelled whenever there are heavy rains, storms, lightning or if the heat index reaches 100°. We do our best to reschedule any rides that are cancelled.*

"Great Experience!"

Shorter camps for younger campers (completed grades 1-3)

Camp Quest | Discovery | Boy Meets Camp | Girl Power

Smaller group sizes and shorter sessions are ideal for this age group. While they're just stepping out in the world, younger children can take giant leaps at camp. Riding a horse, exploring the creek and jumping in the lake (or even just wading) may seem like simple fun. In reality, campers are gaining critical social skills, independence, a healthy spiritual identity and a greater awareness of God's creation. Being away from home can present some challenges, but with our caring staff's gentle encouragement, kids gain confidence. They learn that making friends, having adventures and trusting God feels great!

Camp Quest

June 14-16, June 28-30

Our shortest adventures for boys and girls on their own. A taste of DuBois from Wednesday afternoon to Friday afternoon.

Discovery Camp

June 25-27, July 16-18

Sunday afternoon through Tuesday evening — a little longer than Camp Quest. Campers enjoy more activities and one last dinner, then participate in a closing circle together with their parents.

Boy Meets Camp

July 19-21

Just for the boys and packed with camp fun and adventures! Make friends and have a blast as we laugh and play together as brothers. Wednesday afternoon to Friday afternoon.

Girl Power July 23-26

Just for the girls! Three days jam-packed with fun activities. Laugh, dance and play — all in the spirit of sisterhood! Sunday afternoon through Wednesday afternoon.

Grades 3-6

See page 16 for pricing information.

Settler

(completed grades 3-5)

June 11-16, June 25-30, July 16-21

Ready to experience DuBois Center for a full week? New friends and lots of fun are just the beginning. Run, play, sing, eat, jump, act, create, splash, pray, hike, grow, explore, build, ride and finally... sleep! Growing and playing together, exploring God's creation, building a Christian community — that's camp at DuBois Center.

Mad Science

(completed grades 4-6) July 9-14

Bubble! Fizz! Goo! Join us on a scientific investigation of the wild and wacky. Take time each day to build, learn and create as we experiment and explore. When you're not in the "lab", there will be plenty of time for other camp favorites. Have fun, get messy and experience the wonders of God's world!

Rustic 101

(completed grades 4-6) July 23-26

Ready to "rough it" in the Rustic Village? Sheltered by tall oak trees, enjoy screened-in cabins with comfy bunks and ceiling fans. During this three-night adventure, first time rustic campers take their DuBois experience to the next level. Try canoeing, archery and a pie-iron cookout. Personalize your experience each day: choose to go gaga for Ga-ga, crazy for colorful crafting, or fanatic for another camp favorite.

DuBois Center underwrites \$110 of this camp fee as an investment in the training of future counselors.

High School Week June 18-23

This week is for high schoolers only in the Rustic Village. A week to be yourself, make good friends, find new adventures and grow with God.

Adventure Tree is back! Meals on Rustic are back! Choice times are back! And with them, more time to be with your friends and customize your experience. Hang from a tree; get super crafty; fish at Deer Run; ride horses in "the bottoms" or get sporty with international staff. Whether it's Wrangler or X-Plore, don't miss out!

X-Plore

(completed grades 8-12) June 18-23

Horse Camps

At DuBois Center every camper has the option to ride, but Horse Campers spend significantly more time with the horses. They mount up and ride daily, if the weather allows.* Additional saddle time helps campers bond with the horses, develop basic horsemanship skills, gain insight into the responsibilities of horse ownership and build their confidence. Some mornings it's "up and at 'em" long before chow time to feed and groom the horses; some evenings, we're scooping stalls and cleaning the barn.

Depending on the skill level of the group, horse campers may try cantering or playing games on horseback. Near the end of full-week sessions, campers might opt to ride bareback. "Horse Sense" sessions covering topics such as breeds, anatomy, behavior, nutrition and ground work are also an option.

HORSE TIME — YES! But lots of other great camp favorites, too.

Pony Express

(completed grades 4-5) July 23-26

Younger horse lovers ride daily, Monday through Wednesday, grabbing the reins to see what Horse Camp is all about. After a day of riding and camp adventures, it's back to the bunkhouse (a Main Camp cottage) for a good night's sleep.

What's with all the numbers??

Three-Tiered Pricing Explained

Realizing that families are differently gifted, we are now offering a three-tiered fee program, giving families the option to pay one of three different rates for each summer camp session. Choose the tier that is most suitable or comfortable for your family. As you consider your family's financial situation, please also consider the true cost of camp.

The **subsidized tier** is a reduced rate made possible by ministry support from the Illinois South Conference, local churches, church groups and individuals who value the impact of our summer camp program.

The **partially subsidized tier** represents the direct costs of a camp session including counselors, food, utilities, materials, fuel and more.

The **actual cost tier** more closely reflects the true costs of providing our camp experience for one camper, including facility maintenance and upkeep, equipment repair and replacement, and program development. It also helps fund DuBois Center scholarships, so more children can experience the power of church camp.

The tier you choose is confidential and all campers receive the same DuBois experience, no matter which tier is selected.

Financial Assistance

There are several financial assistance options available. We recommend first checking with your church. Many UCC congregations pay a portion of the camp fee for their members.

If church assistance is not available, or more support is needed, call the DuBois Center office at 618.787.2202 to receive a scholarship application. Assistance is available for families receiving public aid or DCFS benefits, and others with financial needs.

Why?

DuBois Center is one of many camps, locally and across the country, moving to tiered pricing structures for their summer programs.

Tiered pricing gives greater visibility to the true cost of providing the quality camp experience you've come to expect from us. It also offers families an opportunity to take an active role in supporting the true cost of their child's camp experience.

Pricing Structure Goals:

- Provide quality programs
- Serve families from all income levels
- Preserve DuBois Center for generations to come

Sadly, we have seen youth camps in southern Illinois and Missouri close recently largely due to their inability to cover direct and indirect costs. We don't want to join that list.

This pricing structure is one more step toward securing the future of DuBois Center.

Q&A

Do I really pick my price? What's the catch?

Yes! It's your choice. Pick the tier that works best for your family.

No catch.

Will my church pay a different amount if I choose to pay at a higher tier?

Most churches set a specific amount of support. Check with your church.

More Information

Confirmation & Information Packet

Email confirmations will be sent within a week of our receipt of your completed registration. Paper confirmations and packets will be mailed by USPS only if specifically requested.

We will begin sending **Information Packets** via email by April 1. For registrations received later in the season, we will email Information Packets within three weeks of receipt. Email attachments will include medical forms and login instructions for online health profiles, as well as a packing list, directions to camp, general procedures and other helpful information.

These materials will also be available by April 1 on our website: www.DuBoisCenter.org.

Health Profile

A Physical Exam is no longer required. However, a FULLY COMPLETED Health Profile is an absolute requirement for each camper, including adults. This profile includes current medical information, immunization dates, details about medication and an authorization for treatment.

Health-related forms and login information will be sent with your Information Packet or can be found on our web site after April 1 at DuBoisCenter.org.

Health Profiles, whether completed online or on paper, are **due 14 days before the camper's arrival**. Our health care staff need time to review this information and prepare for all our campers' arrival. This requirement also helps **SPEED UP your check-in process** on the first day of camp.

If your camper has significant health or dietary issues, contact the Camp/Program Office at 618.787.2202 **before registering** AND describe the issues on the registration form. We accommodate special needs whenever possible.

Our Location

We're centrally located in southern Illinois, 70 miles southeast of St. Louis, 23 miles southwest of Mt. Vernon, and 39 miles directly north of Carbondale.

Specific directions will be included in the Information Packet.

Cancellations

The \$50 deposit is non-refundable.

If a registration is cancelled at least 30 days in advance of the start of the camp session, the full camp fee (minus the \$50 deposit) will be refunded.

When notification is received between 14 and 29 days, up to 75% of the total camp fee will be refunded.

When less than 14 days' notice is received, no refund is given. In cases of sudden illness, accident or emergency, we can transfer your registration to another session if space is available. If all sessions are full, then a full refund is given.

Note: If a session has 10 or fewer registrations, DuBois Center reserves the right to cancel that session up to 10 days prior to the start date. In this case, parents may select a different session or receive a full refund.

Cabin Buddies

TWO campers may request to bunk together. However, they must be **within one year of age AND both request each other** on their CAMP REGISTRATIONS. All written requests are considered **but not guaranteed**.

It's fun to share a week of camp with old friends, and it may be easier for first-time campers to come with a buddy. However, camp provides great opportunities to make new friends and build new relationships. We try to avoid putting more than two friends together because it can be overwhelming for the rest of the cabin, especially for those who come without a buddy.

It is our responsibility to assign campers in the way we feel is in the best interest of the whole camp family.

Campers are encouraged to recruit their friends (and receive a discount for their efforts). However, if numerous friends are recruited, not all can be in the same cabin. There are a number of opportunities throughout the week for friends in different cabins to spend time together.
