Our many thanks to all those who helped organize this Fall Festival, the volunteers and vendors, and most importantly to YOU for coming out and supporting DuBois Center.

We wish you all a safe journey back home; and we hope you will return for one of our retreat or camping experiences, or plan one for YOUR group! We also offer countless volunteer opportunities for both youth and adult groups.

At DuBois Center, we serve a wide variety of church, school, community, family and business groups.

Our programs include: **summer camps** for all ages, **experiential education programs** for private, public and home school groups, mid-week and weekend **group retreats** and even scheduled **horseback riding for groups**.

Please contact us for more information about our many opportunities for your next overnight reunion or retreat.
