

SERVICE SATURDAYS

March 24 & April 21 2018

Stretch your muscles, get a little dirty and make a difference!

Youth and adult fellowship groups, families, individuals, everyone is invited to lend a hand and help spruce up DuBois Center for the busy spring and summer seasons. Projects vary, depending on the skills of the workers and the weather, but a tired muscle or two and a great sense of satisfaction are guaranteed. There is wood to be stacked, leaves to be raked, buildings to be cleaned and painted, and maybe even a dock to be removed or installed. We have carpentry projects and others requiring special skills. The work may not be glamorous, but it makes a BIG DIFFERENCE!

- ▶ We'll gather between 8:30 & 8:45am and conclude by 4:00pm.
- ▶ Lunch and supplies are provided, but **CALL AHEAD.**
- ▶ Make lunch reservations and let us know about any group members with special skills.
- ▶ Whatever tools and professional equipment you can bring will be greatly appreciated.
- ▶ By early March, a list of specific projects will be available.

If these dates don't work for you or your group, call DuBois Center and we'll explore alternative dates. Work projects can also be scheduled as part of a retreat, or we can arrange part-week or full-week work camps for your group.
