The POWER of CHURCH CAMP

awesome, low-tech FUN in God's inspiring creation
a place of welcome & respect
meaningful connections with friends & leaders
open space to laugh, sing, play & pray together

2018 Theme

What if God was bigger than you ever imagined?

Would it change the way you think of the world and your place in it?

We are reminded throughout the Bible that God's love is greater, wider and more powerful than we can ever envision. What if the life and teachings of Jesus truly inspired us to walk in his footsteps and make a difference? With scripture as our compass, we will explore how God can be seen in the vastness of creation, in the power of community, and even in our own hearts. We will discover how God's endless love launches amazing adventures and that God always has new mysteries for us to explore.

About Us

We are the camp and retreat center of the Illinois South Conference of the United Church of Christ. Established in 1965, DuBois Center has served thousands of children, youth and adults through summer camp, outdoor education and retreat experiences. Nestled among 300 acres of woodlands, lakes, creeks and meadows, our facilities provide unique opportunities for exploration, growth and renewal to groups of 8 to 120 participants. Our guests and campers come from a wide variety of backgrounds, faith traditions and community groups.

The DuBois Experience

In this tech-centered world, it is increasingly important for kids to unplug, step outside, get their hands dirty and connect face to face. At DuBois Center, relationship-building and faith-focused activities are woven throughout each day, whether exploring the creek or gazing at the stars.

Cabin groups of 5-8 campers combine to form DuBois family groups. These family groups experience much of camp life together. On the first night, campers and leaders discuss and choose many of their adventures for the week.

We offer a progression of activities based on the age group, program focus and skill level of our campers. There are new challenges and experiences for the youngest of campers, as well as for more adventurous youth.

Meals & Snacks

Our tasty meals are kid-friendly and hearty with lots of fruits and vegetables. We serve three square meals and two light snacks each day.

In addition to our regular meal offerings, a cereal buffet is available at breakfast; and bread, peanut butter and jelly are available at both lunch and dinner.

Partnering with parents, we strive to accommodate special dietary needs whenever possible. Advance notice required. Contact DuBois Center at 618.787.2202 to discuss options.

Let's Ride!

No doubt about it, our horses are the most popular kids in camp, and all campers have the option to ride.

Campers receive instruction in basic barn etiquette and how to safely lead, mount, ride and dismount a horse. Safety and recreation are the focus of our riding instruction.

Campers attending week-long sessions have the option of riding twice during their stay; part-week campers have the option of riding once (weather permitting*). The first ride includes time in the arena to get comfortable with the horses and practice basic skills. A short trail ride may also be included. The second ride is usually a longer trail ride.

Love hanging with the horses, the smell of hay, early mornings in the barn? Want to spend lots more time with Clover, Dakota and Magic? Consider one of our Horse Camps!

For details about these exciting equestrian adventures, flip to page 11.

* For the safety of our campers and horses, rides are cancelled whenever there are heavy rains, storms, lightning or if the heat index reaches 100°. We do our best to reschedule any rides that are cancelled.

Grades 1-3

Shorter camps for younger campers

Camp Quest • Discovery Boy Meets Camp • Girl Power

(completed grades 1-3)

Smaller group sizes and shorter sessions are ideal for this age group. While they are just stepping out in the world, younger children can take giant leaps at camp. Riding a horse, exploring the creek and jumping in the lake (or even just wading) may seem like simple fun. In reality, campers are gaining critical social skills, independence, a healthy spiritual identity and a greater awareness of God's creation. Being away from home can present some challenges, but with our caring staff's gentle encouragement, kids gain confidence. They learn that making friends, having adventures and trusting God feels great!

Camp Quest

June 13-15, June 27-29

Our shortest adventures for boys and girls on their own. A taste of DuBois from Wednesday afternoon to Friday afternoon.

Horse Camps

Ride More! Learn More! Do More!

Horse campers ride daily, (weather permitting*) – bonding with the horses, developing skills, and building self-confidence while hitting the trails. Depending on the age and skill level, some groups may canter, play games on horseback, or ride bareback.

But riding is just the beginning. Some mornings it's "up and at 'em" before breakfast, feeding, grooming and tacking the herd for the day ahead. Some evenings – it's barn chores before joining the all-camp games. Horse campers may even gain some "horse sense" about breeds, anatomy, herd behavior and the responsibilities of horse care. Rein in your spot soon, though; these camps often fill quickly.

Pony Express

(completed grades 4-6) July 22-25

Younger horse lovers ride daily, Monday through Wednesday, grabbing the reins to see what Horse Camp is all about. After a day of riding and camp adventures, it's back to the bunkhouse (a Main Camp cottage) for a good night's sleep.

Share & Care

Help us change lives this summer & beyond

Last summer, our camper families voluntarily paid over \$13,000 above and beyond their base camp fees. This amazing generosity allowed us to provide more summer camp scholarships and better maintain our facilities and equipment. Because of your support, our ministry was able to touch more lives.

With your help, we hope to continue this tradition of helping others this summer while simplifying the process for everyone. We are returning to a single (subsidized) price for each camp.

When registering, all families will have the option to make a tax-deductible contribution beyond their camp fees – in any amount – to support the actual cost of the camp experience and provide scholarships to help families in need.

Cabin Buddies

TWO campers may request to bunk together. However, they must be **within one year of age AND both request each other** on their CAMP REGISTRATIONS. All written requests are considered **but not guaranteed**.

It's fun to share a week of camp with old friends, and it may be easier for first-time campers to come with a buddy. Campers are encouraged to recruit their friends (and receive a discount for their efforts). However, if numerous friends are recruited, not all can be in the same cabin.

We avoid putting more than two friends together because it can be overwhelming for the rest of the cabin, especially for those who come without a buddy. We also avoid putting siblings together, allowing each to have their own unique camp experience.

Camp provides great opportunities to make new friends and build new relationships. It is our responsibility to assign campers in the way we feel is in the best interest of the whole camp family.

Cabin Groupings

Cabin and cottage assignments are made based on age and grade. Whenever possible, campers living together are within 1-2 years of age. Throughout the week, there are opportunities for siblings and friends of various ages to spend time together.
