

Green DuBois Stewardship Days Saturday, Feb 16 & Apr 27

Green DuBois is a team of volunteers with three areas of focus: increasing our sustainability and environmentally sensitive practices; bringing more people and groups to DuBois Center to explore our unique, and sometimes rare, ecological biodiversity; and actively managing our forest and removing invasive species.

Join us as we work to improve our outdoor space. Contact DuBois Center at 618.787.2202 or dcinfo@DuBoisCenter.org to sign up.
