DuBois Center

2019 Theme

We Know That Peace Works!

Peace is a prayer for some people and a life's work for others. Peace is something we wish to others as a blessing and a longing within each person's heart.

Every culture has its own words and stories to describe peace and the work it requires.

This summer, Bible verses will be paired with words and stories from cultures around the world to explore how Peace Works.

Our Leadership is the Key

Our **energetic and caring team** of young adults provides positive leadership and guidance for our campers, while Pastors and Christian Educators enrich the faith-based focus. Both our paid summer staff and volunteers are **dedicated to providing a safe and accepting atmosphere** for campers to explore and grow. Our leaders are screened and trained in keeping with our Safe Conduct procedures. In addition, our paid summer staff are **First Aid and CPR certified** and have completed extensive training including safety, program facilitation, building small groups and behavior management. Our full-time Director of Outdoor Ministries provides supervision and support for the program, leaders and campers.

About Us

We are the camp and retreat center of the Illinois South Conference of the United Church of Christ. Established in 1965, DuBois Center has served thousands of children, youth and adults through summer camp, outdoor education and retreat experiences. Nestled among 300 acres of woodlands, lakes, creeks and meadows, our facilities provide unique opportunities for exploration, growth and renewal to groups of 8 to 120 participants. Our guests and campers come from a wide variety of backgrounds, faith traditions and community groups.

OUR MISSION

The DuBois Experience

In this tech-centered world, it is increasingly important for kids to unplug, get outside, play hard, get a little dirty and connect face to face. In addition to heaps of classic fun, relationship-building and faith-focused activities are woven throughout each day, whether exploring the creek or gazing at the stars.

Cabin groups of 5-8 campers combine to form DuBois family groups. These family groups experience much of camp life together. On the first night, these campers and their leaders discuss and choose many of their adventures for the week. In addition to family group activities, older campers also have "choice times" when they get to choose from a variety of options.

We offer a progression of activities based on the age group, program focus and skill level of our campers. There are new challenges and experiences for the youngest of campers, as well as for older youth.

Let's Ride!

No doubt about it, our horses are the most popular kids in camp, and all campers have the option to ride at no additional cost.

Campers receive instruction in basic barn etiquette and how to safely lead, mount, ride and dismount a horse. Safety and recreation are the focus of our riding instruction.

Campers attending week-long sessions have the option of riding twice during their stay; part-week campers have the option of riding once (weather permitting*). The first ride includes time in the arena to get comfortable with the horses and practice basic skills. A short trail ride may also be included. The second ride is usually a longer trail ride.

Love hanging with the horses, the smell of hay, early mornings in the barn? Want to spend lots more time with Clover, Dakota and Magic? Consider one of our Horse Camps!

For details about these exciting equestrian adventures, flip to page 14.

* For the safety of our campers and horses, rides are cancelled whenever there are heavy rains, storms, lightning or if the heat index reaches 100°. We do our best to reschedule any rides that are cancelled.

Lodging at Camp

We have three distinct areas for lodging:

Main Camp: Four cottages near the dining hall. Cottages have a common room between two sleeping rooms, each with bunk beds for eight and a bathroom with shower.

Rustic Village: Eight cabins split between two sites with a centrally located shower house. Each cabin has bunk beds for eight, screened windows, lights and a ceiling fan.

Hickory Lodge: Located near the dining hall with hotel-style sleeping rooms, shared bathrooms off the hallways and a meeting/activity room. AC available.

Meals & Snacks

Our tasty meals are kid-friendly and hearty with lots of fruits and vegetables. We serve three square meals and two light snacks daily. In addition to our regular meal offerings, a cereal buffet is available at breakfast; and bread, peanut butter and jelly are available at both lunch and dinner. Partnering with parents, we strive to accommodate special dietary needs whenever possible **with advance notice**.

Contact DuBois Center at 618.787.2202 to discuss options.

Don't let the kids have all the fun this summer! For this camp, the whole gang's invited! Families of every size and description: gather the generations. Families participate in most activities together. The relaxed atmosphere and flexible activity sign-ups allow you to set your own pace – from the waterfront to the barn, from the Craft Grotto to the creek. Take time for an afternoon nap or wake up early for a hike to your favorite fishing spot. Pricing varies depending on your choice of lodging: Hickory Lodge, Main Camp Cottages or even Rustic Cabins! Lodging is assigned on a first-come, first-served basis, so sign up early for your first choice.

Grades 1-3

Shorter camps for younger campers

Camp Quest Discovery Boy Meets Camp Girl Power

(completed grades 1-3)

Smaller group sizes and shorter sessions are ideal for this age group. While they are just stepping out in the world, younger children can take giant leaps at camp. Riding a horse, exploring the creek and jumping in the lake (or even just wading) may seem like simple fun. In reality, campers are gaining critical social skills, independence and a greater awareness of God and creation. Being away from home can present some challenges, but with our caring staff's gentle encouragement, kids gain confidence. They learn that making friends, having adventures and trusting God feels great!

Camp Quest

June 12-14, July 17-19

Our shortest adventures for boys and girls on their own. A taste of DuBois from Wednesday afternoon to Friday afternoon.

Discovery Camp July 14-16

Sunday afternoon through Tuesday evening – a little longer than Camp Quest. Campers enjoy more activities and one last dinner, then participate in a closing circle together with their parents.

Boy Meets Camp June 26-28

Just for the boys and packed with camp fun and adventures! Make friends and have a blast as we laugh and play together as brothers. Wednesday afternoon to Friday afternoon.

See page 20 for pricing information.

Girl Power July 21-24

Just for the girls! The days are jam-packed with fun adventures. Laugh, dance and play – all in the spirit of sisterhood! Sunday afternoon through Wednesday afternoon.

Care & Share Help us change lives this summer & beyond

You appreciate the impact summer camp has on the lives of young people - that's why you are reading this. You may already recognize that the actual cost of a week of summer camp is far greater than what we charge. In fact, our camp fees barely cover direct costs such as meals, lodging, camp counselors and program supplies.

The generosity of scores of individuals, groups and churches funds over \$17,000 in camp scholarships each year, as well as dynamic programming and improvements to our facilities and equipment. With this support, our ministry is able to touch more lives.

When registering for camp, please consider making a contribution beyond the basic camp fee - in any amount - to support the actual cost of the camp experience and provide scholarships for families in need.

LEAD

Leadership Experiences And Development

(completed grades 10-12) June 23-28

Focus on skills that will help you be a positive Christian leader, manage challenging behavior, create a safe and fun environment, and lead basic camp activities. An additional application packet is required. Contact DuBois Center for details: call 618.787.2202 or email dcinfo@DuBoisCenter.org

*DuBois Center underwrites \$118 of this camp fee as
an investment in the training of future counselors.*

Horse Camps

* For the safety of our campers and horses, rides are cancelled when there are heavy rains, storms, lightning, or if the heat index reaches 100 degrees.

We do our best to reschedule any rides that are cancelled.

Pony Express

Younger horse lovers ride daily, Monday through Wednesday, grabbing the reins to see what Horse Camp is all about. After a day of riding and camp adventures, it's back to the bunkhouse (a Main Camp cottage) for a good night's sleep.

Ride More! Learn More! Do More!

Horse campers mount up and ride daily (weather permitting*). Additional saddle time helps campers bond with the horses, develop skills and build self-confidence. Depending on age and skill level, some groups may play games on horseback, canter or ride bareback.

Riding is just the beginning. Some mornings, it's "up and at 'em" well before breakfast – feeding, grooming and tacking the herd for the day ahead. Some evenings, it's barn chores before joining in all-camp games. Horse campers may even gain some "horse sense" about breeds, anatomy, herd behavior and the responsibilities of horse care and ownership. Rein in your spot soon, though; these camps often fill quickly.

Horse Time — YES! With lots of other great camp favorites, too.

Pick-up for MOST sessions: **2:00pm Wednesday or Friday**

Exceptions are as follows:

- **Just You & Me Camp** concludes on Tuesday at 2:00pm.
- **Camp Quest** and **Boy Meets Camp** begin on Wednesday with check-in from 2:00 - 2:30pm.
- **Discovery Camp** concludes with a family closing circle on Tuesday evening.

Cabin Buddies

TWO campers may request to bunk together. However, they must be **within one year of age AND both request each other** on their Camp Registration Forms. All written requests are considered **but not guaranteed**.

It's fun to share a week of camp with old friends, and it may be easier for first-time

campers to come with a buddy. Campers are encouraged to recruit their friends (and receive a discount for their efforts). However, if numerous friends are recruited, not all can be in the same cabin.

We avoid putting more than two friends together because it can be overwhelming for the rest of the cabin, especially for those who come without a buddy. We also avoid putting siblings together, allowing each to have their own unique camp experience.

Camp provides great opportunities to make new friends and build new relationships. It is our responsibility to assign campers in the way we feel is in the best interest of the whole camp family.

Cabin Groupings

Cabin and cottage assignments are made based on age and grade. Whenever possible, campers living together are within 1-2 years of age. Throughout the week, there are opportunities for siblings and friends of various ages to spend time together.

Don't Forget!
