Service Saturdays

March 23 & April 13, 2019

In addition to being the season for “giving up” habits and material items, Lent can also be the season of “taking on” – of adding new healthy rituals to our lives. Consider joining us for one or both of the upcoming Service Saturdays at DuBois Center. Stretch your muscles! Breathe fresh spring air! Spend quality time with family and friends!

After some interesting winter weather, there is lots work to be done. Youth and adult fellowship groups, families, individuals – everyone is invited to pitch in as we prepare our facilities for the busy spring retreat and summer camping seasons.

Projects vary, depending on the skills of the workers and the weather. There is wood to be stacked, and buildings to be cleaned and painted. There are trails to be tended and leaves to be raked. There are carpentry projects, as well as others requiring special skills. The work may not be glamorous, but it makes a **BIG DIFFERENCE!**

We'll gather between 8:30 & 8:45 am and conclude by 4:00 pm.

- ▶ Lunch and supplies are provided, but **CALL AHEAD to reserve a spot** and let us know about any group members with special skills.
- ▶ Whatever tools and professional equipment you can bring will be greatly appreciated.

If these dates don't work for you or your group, contact us for alternatives. Work projects can also be scheduled as part of a retreat, or consider a week-long or part-week work camp for your group.
