

Those selected for the LEAD program enjoy a great – yet very different – week of camp. LEAD teammates gain skills that will help them grow as positive Christian leaders, while making new friends and building their own community.

**Learn to create a fun and safe environment, respond to camper behavior and teach basic camp activities.**

“LEADers” gain valuable practical experience working with younger campers and get a “behind the scenes” peek at the joys and challenges of being a camp counselor.

LEAD functions much like a “lab school” with discussion, training, practice and evaluation sessions.

**fine print:** The minimum age for Camp Counselors is 17 (with successful completion of LEAD). Participation in LEAD does not guarantee that an individual will be recommended to counsel.
