Our Leadership is the Key

Our **energetic and caring team** of young adults provides positive leadership and guidance for our campers, while Pastors and Christian Educators enrich the faith-based focus. Both our paid summer staff and volunteers are **dedicated to providing a safe and accepting atmosphere** for campers to explore and grow. Our leaders are screened and trained in accordance with our Safe Conduct procedures. In addition, our paid summer staff are **First Aid and CPR certified** and have completed extensive training including safety, program facilitation, building small groups and behavior management. Our full-time, on-site Director of Outdoor Ministries provides supervision and support for the program, leaders and campers.

About Us

We are the camp and retreat center of the Illinois South Conference of the United Church of Christ. Established in 1965, DuBois Center has served thousands of children, youth and adults through summer camp, outdoor education and retreat experiences. Nestled among 300 acres of woodlands, lakes, creeks and meadows, our facilities provide unique opportunities for exploration, growth and renewal to groups of 8 to 120 participants. Our guests and campers come from a wide variety of backgrounds, faith traditions and community groups.

Because we affirm the value of all God's people, the Illinois South Conference of the United Church of Christ does not discriminate on the basis of age, race, national origin, religious background, sexual orientation, or gender identity. To the extent possible, we endeavor to accommodate those with a variety of physical, mental, emotional, medical, or dietary needs.

Growing Together...

In Faith,

and Others,

And in
Our Care

OUR MISSION

The DuBois Experience

In these tech-centered times, it is increasingly important for kids to unplug, get outside, play hard, get a little dirty and connect face to face. In addition to heaps of classic fun, activities that help campers build relationships and grow in their faith are woven throughout each day – whether exploring the creek, gazing at the stars or cooking over the campfire.

Cabin groups of 5-8 campers combine to form DuBois family groups. These family groups experience much of camp life together. On the first night, these campers and their leaders discuss and choose many of their adventures for the week. In addition to family group activities, older campers also have “choice times” when they select from a variety of options.

We offer a progression of activities based on the age group, program focus and the skill level of our campers. There are new challenges and experiences for the youngest of campers, as well as for older youth.

B.L.A.S.T. – *Bible Learning And Spirit Time*

Let's Ride!

All campers have the option to ride at no additional cost.

Campers receive instruction in basic barn etiquette and how to safely lead, mount, ride and dismount a horse. Safety and recreation are the focus of our riding instruction.

Campers attending week-long sessions have the option of riding twice during their stay; part-week campers have the option of riding once (weather permitting*). The first ride includes time in the arena to get comfortable with the horses and practice basic skills. A short trail ride may be included. The second ride is usually a longer trail ride.

Love hanging with the horses, the smell of hay, early mornings in the barn? Our horse campers ride daily* and spend extra time feeding, tacking and bonding with our herd. For details about our exciting horse camp adventures, see page 11.

* For the safety of our campers and horses, rides are cancelled whenever there are heavy rains, storms, lightning or if the heat index reaches 100°. We do our best to reschedule any rides that are cancelled.

Adult & Ages 5, 6, 7

Just You and Me

(adult & child age 5, 6 or 7) June 7-9, June 14-16

Spend quality one-on-one time with a special child in your life: son, daughter, grandchild, niece, nephew, godchild. Choose your activities: canoeing, crafts, creek walks, horses... Play and laugh together, make new friends on a hay ride and share meals around the table. Sunday afternoon to Tuesday afternoon.

Grades 1-3

Shorter camps for younger campers

(completed grades 1-3)

Smaller group sizes and shorter sessions are ideal for this age group. While they are just stepping out in the world, younger children can take giant leaps at camp.

Riding a horse, exploring the creek and jumping in the lake (or even just wading) may seem like simple fun. In reality, campers are gaining critical social skills, independence and a greater awareness of God and creation. Being away from home can present some challenges, but with our caring staff's gentle encouragement, kids grow in confidence.

Camp Quest

June 10-12, July 15-17

Our shortest adventures for boys and girls on their own. Full of camp fun on the lake, at the barn and throughout Main camp.

Wed 2pm – Fri 2pm

Discovery Camp

July 12-14

A little longer than Camp Quest. More activities, one last dinner, then ends with a 7pm closing circle with their parents.

Sun 2pm – Tues evening

Boy Meets Camp

June 17-19

Yep, it's for boys only! 48 hours packed with fun, new friends and great adventures.

Wed 2pm – Fri 2pm

Girl Power

July 19-22

Laugh, dance and explore - all in the spirit of sisterhood. Great fun, new friends and amazing adventures.

Ride More! Learn More! Do More!

Horse campers mount up and ride daily (weather permitting*). Additional saddle time helps campers bond with the horses, develop skills and build self-confidence. Depending on age and skill level, some groups may play games on horseback, canter or ride bareback.

Some mornings, it's "up and at 'em" well before breakfast – feeding, grooming and tacking the herd for the day ahead. Some evenings, it's barn chores before joining in all-camp games. Horse campers may even gain some "horse sense" about breeds, anatomy, herd behavior and the responsibilities of horse care and ownership. These camps often fill quickly.

More Horse Time — With lots of other great camp favorites, too.

* For the safety of our campers and horses, rides are cancelled when there are heavy rains, storms, lightning, or if the heat index reaches 100 degrees. We do our best to reschedule any rides that are cancelled.

More Information

Registration Confirmations

We will **email*** your confirmation within 10 days of receiving your registration and payment - regardless of how you submit it (online, by email or by mail).

Information Packets

Information packets will be available after April 1. Packets include the Parent & Camper Guide, Health Profile form, a packing list and directions to camp.

If you register online, you may simply download the packet from your camper's dashboard. If you register by mail or by email your packet will be **emailed*** to you. Information packets will also be available online at www.DuBoisCenter.org.

** Paper confirmations and information packets will only be mailed if specifically requested.*

Health Profiles

A FULLY COMPLETED Health Profile is an absolute requirement for every camper, including adults. The Health Profile does not require a physical exam, but must include

current medical information, immunization dates, details about medication and an authorization for treatment.

Health Profiles are **due 14 days before the start of a camper's session**. They can be completed online (from each camper's dashboard) or on a paper form and mailed to the registrar.

If your camper has significant health or dietary issues, contact the Camp/Program Office at 618.787.2202 **before registering** AND describe the issues on the registration form. We partner with parents to accommodate special needs whenever possible.

Cancellations

The \$50 deposit is non-refundable.

If a registration is cancelled at least 30 days in advance of the start of the camp session, the full camp fee (minus the \$50 deposit) will be refunded.

When notification is received between 14 and 29 days, up to 75% of the total camp fee will be refunded. When less than 14 days' notice is received, no refund is given.

In cases of sudden illness, accident or emergency, we can transfer your registration to another session if space is available. If all sessions are full, then a full refund is given.

Note: If a session has ten or fewer registrations, DuBois Center reserves the right to cancel that session up to ten days prior to the start date. In this case, parents may select a different session or receive a full refund.

Cabin Buddies

TWO campers may request to bunk together. However, they must be **within one year of age AND both request each other** on their Camp Registration Forms. All written requests are considered, **but not guaranteed.**

It's fun to share a week of camp with old friends, and it may be easier for first-time campers to come with a buddy. Campers are encouraged to recruit their friends (and receive a discount for their efforts). However, if numerous friends are recruited, not all can be in the same cabin.

We avoid putting more than two friends together because it can be overwhelming for the rest of the cabin,

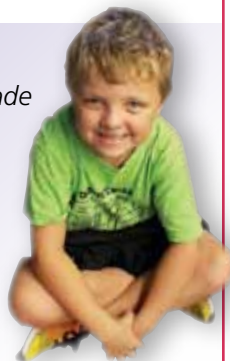

especially for those who come without a buddy. We also avoid putting siblings together, allowing each to have their own unique camp experience.

Camp provides great opportunities to make new friends and build new relationships. It is our responsibility to assign campers in the way we feel is in the best interest of the whole camp family.

Cabin Groupings

Cabin and cottage assignments are made based on age and grade. Whenever possible, campers living together are within 1-2 years of age. Throughout the week, there are opportunities for siblings and friends of various ages to spend time together.

Don't Forget!
